

**COM 220: Digital Media Convergence  
Spring 2014**

**Homework Assignments:**

6. Video Narrative Concept
  - Microsoft Word
  - Develop concepts for time-based narrative
  - Understand pacing and narrative structure

**Requirements:**

1. Develop two concepts for a short 1-2 minute video portrait of the community that surrounds Elon University.
2. Describe each concept as a series of bullet points. Each main bullet point should describe a different scene. Sub-bullets should describe different camera shots within a particular scene. (see the example below)
3. Each of your three concepts should be created on one page of a MS Word document.
4. Save one two-page MS Word document. Each page should describe one of your three concepts.
5. Place your completed MS Word document on Quicksilver in the "Homework Submissions" folder (put your file in "Assignment 6", which is in our COM 220 class folder)

**Example:**

- Scene 1 - Exterior shot of downtown Burlington
  - Wide shot of city
  - Panning shot that moves across a row of buildings
- Scene 2 - Interior of Burlington Co-op
  - Panning shot of aisles of products
  - Close up of aisle being stocked on shelves
  - Medium shot of customers checking out
- Scene 3 - Interview with employees
  - Talking head of employee 1
  - Talking head of customer 1
  - Talking head of employee 2
  - Talking head of customer 2

**Due:**  
4-7-14
