

Communication

- There are no phone hardlines in the archaeology camp and no cell reception, however you will have transportation into the nearest village to make phone calls once weekly.
- ***Dr. Trachman's US cell number is 512-296-6630*** and she will distribute her Belize cell number once we are on the ground in Belize
- Emergency contact information:
 - **Do not use these numbers for everyday communication.** If extremely urgent contact is necessary, you may:
 - call the Programme for Belize at +011.501.227.5616 and leave a message
 - "501" is the country code for Belize
 - "227.5616" is the local number in Belize
 - fax the Programme for Belize at +011.501.227.5635
 - "501" is the country code for Belize
 - "227.5635" is the local number in Belize
 - Postal Svc Mail
 - Mail is received by the project once per week and is VERY SLOW
 - Mail service to Belize sometimes takes 10 to 14 days or much longer
 - **Do not send packages** to project participants. Packages sent to and from Belize may take a very long time to arrive and may be subject to customs search and expensive duty charges upon its arrival. Additionally, due to mail forwarding, packages cannot be received at our post office box
 - postcards and aerograms are available locally and may be sent from Belize easily and inexpensively
 - To send letters or postcards (do not send packages) to Belize, use this address
