The Art of Altering Photos

This image was used for the cover for a book called "Bird Wing." Artist Matt Mahurin called it a digital painting.

Mahurin made this to accompany an article on circumcision for G.Q. magazine.
This photo illustration accompanied an article in Spin magazine on race relations.
Mahurin designed the cover of Time Magazine’s Nov 29, 1999 issue which examined the legacy of psychoanalyst Sigmund Freud.
Matt Mahurin designed this cover of Time Magazine's May 17, 2004 issue which looked at the Abu Ghariib prison torture scandal.
